

POST RESULT SERVICES

Requests for Re-Marks

The Awarding Bodies responsible for GCSE and GCE'A' and 'AS' Level examinations offer a service to those who wish to have their papers or modules re-marked.

There are various services available:

1. Clerical Re-check

A full clerical re-check, including the provision of a statement of the marks by component, for an individual candidate or group of candidates.

Re-Mark and Statement

A re-mark of externally assessed components, including a full clerical re-check and statement of marks by component, for an individual candidate's performance. This service should be used where the primary concern is the result issued to a candidate. This service is advised where a candidates' place in Further /Higher Education this year depends on the outcome of an enquiry.

Such urgent requests in connection with the 2009 Summer Examinations should be submitted to the Awarding Body as soon as possible after the issue of results. CCEA do provide for an accelerated Re-Mark and Statement of Marks Service.

The services cost different amounts for each Awarding Body and the details will be available after the results are issued in August. The information regarding deadlines for requests will also be available when the results arrive.

Parents and Candidates need to be aware that a grade may now be lowered, raised or confirmed as a result of a request from a candidate for a clerical check or remark.

All information relating to re-marks is handled by and through the School. The School will inform candidates of the outcome of their applications as soon as it is informed.

In the event of a grade being changed, the candidate involved will receive a revised statement of his/her results, and in due course, a revised and amended certificate.
