

## Top Candidates

Congratulations go to five Sullivan pupils who were amongst those who achieved first, second and third highest marks in the CCEA Summer 2009 GCSE and GCE Advanced Level Examinations.

### **GCSE**

Christopher Tapper was ranked joint 3<sup>rd</sup> in ICT. Christopher is delighted with the result as this was his favourite GCSE class. He modestly attributed his success to his teacher, Mrs Kelly.

### **GCE Advanced Level**

Jessica Kirk was ranked 3<sup>rd</sup> in Home Economics. This was no surprise to her teacher, Miss Thomson, as Jessica was a passionate and dedicated student of Home Economics throughout her seven years at Sullivan.

Lloyd Houston was ranked 2<sup>nd</sup> in Government and Politics. Lloyd is pleased to have excelled in this A Level as it is a subject he really cares about. He intends to maintain a keen interest in politics in the future.

Kerrie Hannah was ranked 2<sup>nd</sup> in Moving Image Arts. Kerry is currently enjoying a gap year but intends to continue her studies next year in Art and Moving Image Arts. Kerry also received an additional award from CCEA for her experimental film.

Victoria Mason was ranked 2<sup>nd</sup> in French. According to her teachers Mrs Wark and Dr Russell, Victoria was a talented linguist from the start of her school career. She thoroughly deserves this recognition of her dedication and ability.
