Year 12 enjoyed an extended lunch on their last full day of school. There were a variety of activities on offer including a Tug of War and Dry Ski Race, with a visit to the ice cream van for a free treat after what has been a challenging year. We wish them all the best for the summer and are looking forward to seeing them again next year. Year 12 Pastoral Team.

## 'Sullivan is full of Drama!'

There's no business like show business, and this year is no exception. Whilst it may feel as though the world has been put on pause, the talent at Sullivan Upper School will never stop! After workshops and a nerve-racking audition process, two of our Drama students, Suzanne McNutt (Year 13) and Lydia Dobson (Year 12), have been selected for the National Youth Theatre. The competition was fierce, with over 5000 students from across the UK auditioning, yet Suzanne and Lydia obviously managed to make an impression.

The Drama Department at Sullivan were delighted to host the National Youth Theatre auditions this year in order to provide our students with further opportunities outside the classroom. Approximately 20 students from years 10-13 auditioned and we were very pleased that many received call backs, which is also a great achievement. We look forward to working with The National Youth Theatre again next year and providing more students with an opportunity to audition and hopefully begin on their journey to success.

We wish Suzanne and Lydia every success for this exciting adventure and we look forward to hearing about all their experiences in September!
