
Self-Service Password Reset

Overview

The aim of this document is to provide instructions to enable users to reset their own password from outside the C2k network, if it has been forgotten.

Note: See Appendix for advice on Expired Password or Lock out accounts

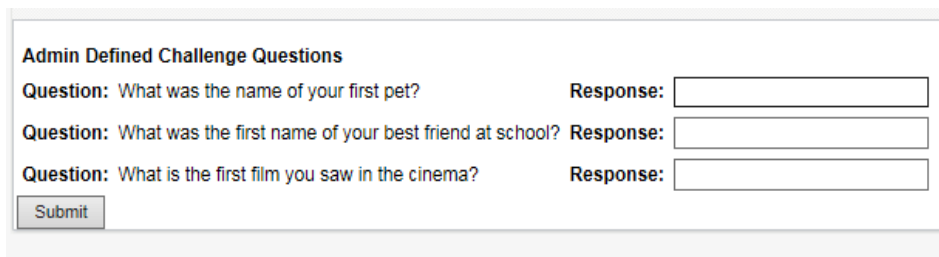

Target Audience: Teachers, Non Teachers, External Users, Student Teachers

Preparation for use - Security challenge questions

In order to be able to use this facility, users must first enter responses to security questions. (Note once the challenge questions are answered the option is no longer available) . **All Teachers, Non Teachers, External Users and Student Teachers are encouraged to answer these security questions at the earliest opportunity.**

To Set Up Security Questions

- From within MySchool, click **View All | User Management | Identity Manager**
- Select Identity Self-Service
- Enter responses to the three security questions:

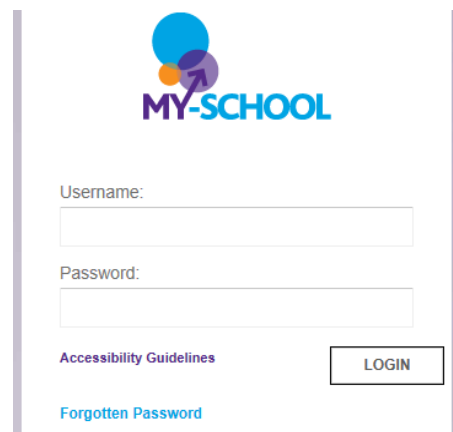

The screenshot shows a form titled "Admin Defined Challenge Questions". It contains three rows, each with a "Question:" label, a text input field, and a "Response:" label followed by another text input field. The questions are: "What was the name of your first pet?", "What was the first name of your best friend at school?", and "What is the first film you saw in the cinema?". A "Submit" button is located at the bottom left of the form.

Forgotten Password link

A forgotten password link has been added to the MySchool homepage. This is only viewable when off the school network. In the event that a user's password has expired or been forgotten the user can access the MySchool login screen via:

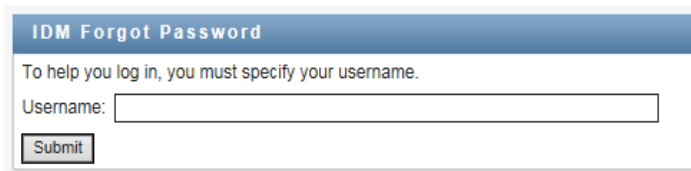

www.c2kschools.net.

- Click **Forgotten Password** at bottom of login window:

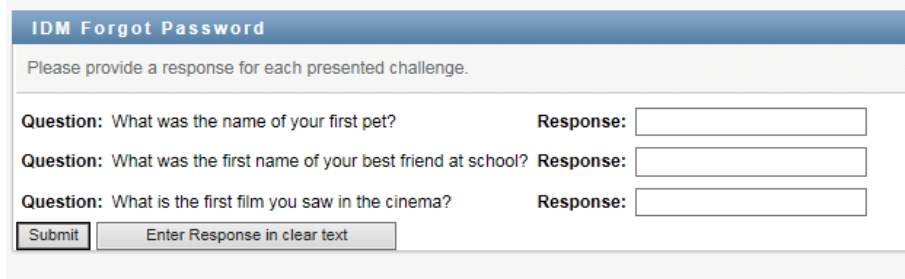

The screenshot shows the MySchool login page. At the top is the MySchool logo, which consists of three overlapping circles (blue, orange, purple) above the text "MY-SCHOOL". Below the logo are two text input fields: "Username:" and "Password:". At the bottom left, there is a link for "Accessibility Guidelines" and a link for "Forgotten Password". At the bottom right, there is a "LOGIN" button.

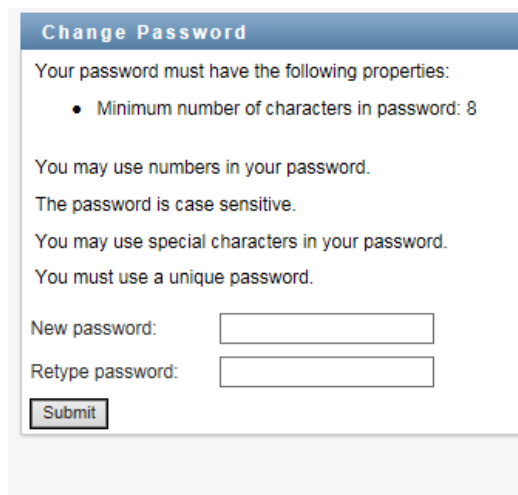

- Enter ! username:

- Enter the responses

- If the responses are correct, the user will be asked to enter the new password:

- The password will be changed.

Note: If a user forgets their answers to the security questions, they must contact the C2k Service Desk (08000 931 541) to have them reset.
