### **Please note:**

- 1 Each subject will provide pupils with detailed information about what is required in their subject for controlled assessments (**Art and Design, Business Studies, Drama, Digital Technology, English Language and Literature, Music, Technology and Design, Moving Image Art and Physical Education**).
- 2 Control level refers to the amount of assistance staff can provide and the amount of work that can be completed outside the classroom. Thus, a high control level means that the work is to be completed in class under examination conditions.
- 3 Details for controlled assessment and preparation required for subjects that will occur during Year 12 for pupils will be provided later in the next academic year, once times, dates and details are confirmed with departments as part of their planning for 2024/2025.
