Congratulation to David Philpott (Yr14), Erin Camlin (Yr12) and Rachel Philpott (former pupil) participated in the Fastnet International Schools Regatta which is held annually in Schull, West Cork.

Maia Simmons (9C) competed in the Irish National Youth Cycling championships 4 weeks ago in Cork and won 3 gold medals in the under 13 category (road race, time trial and criterium) making her a triple Irish National Champion for the second year in a row. Maia also won gold in the Ulster Cycling Championships under 13 (road race) the previous week.

**SWIMMING**

Congratulations to the Junior Swimming teams who swam in the Ulster Schools Relay Swimming Gala at Campbell College. Both the Junior girls team (Katie Kimber, Rachel White, Rachel Wolseley, Tara McDonough, Tori Harding) and the Junior Boys team (David Stinson, Mark Stinson, Andrew White, Matthew Latimer and Evan Coulter) achieved bronze medals and third place in both the Freestyle and Medley relay events. Thanks also to our senior swimmers Tom Uprichard, Jessica Chrishope and Emma Hanna who swam with the juniors in the Open Age Relay events.

**UKMT Results**

The United Kingdom Mathematics Trust (UKMT) runs a Junior, Intermediate and Senior Maths Challenge at various times throughout the school year. Pupils who perform exceptionally well are then invited to take part in a follow up round. In June last year two of our pupils, Matthew Keown and Ollie Butt, who were then in Year 9, were among 5400 students from across the UK invited to participate in the Junior Kangaroo Challenge. We have now received their results, Matthew was awarded a Merit and Ollie was awarded a Qualification prize.

Congratulations to Rachel White (Year 9) who competed in the Errigal International Youth cycling tour in Donegal in July where she was a member of the under 12 Ulster team who went on to win the team prize for that age group. Individually she achieved 3 silvers in her category, missing the pink poka-dot jersey for girls by 1 second. This event has cyclists from all over the world attending and is one of the biggest youth cycling events in the UK.

Congratulations to Charlie Roberts (14F) who won gold at the British Open in the age 16/17, brown/black belt category in Kumite (fighting) and bronze in Kata. Fergus McMullan (13E) also competed in the competition.

Sullivan Fencers win at Irish National Fencing Club Championship

On Saturday 17 September three Sullivan fencers, Emily Maginn, Ella Reid and Erin Maginn, plus club coach, travelled to Dublin for the 2016 Irish National Fencing Club Championships. This is a team event, run using the Olympic format where in each bout, all 3 fencers in both teams fence each other in sequence up to 45 points. Sullivan entered the women’s foil competition and was the only school club in the whole tournament, all the others being either senior or university clubs. The SU team had a shaky start to the competition with a narrow loss to Dublin University, initially falling well behind, but then gradually gathering confidence to come back to lose by only 3 points. After that it was winning all the way, with convincing victories against top Irish clubs such as University College Dublin and Pembroke (a senior independent club from Dublin) to take the overall women’s foil competition win.

Congratulations to Emily, Erin and Ella for a great result and a brilliant start to Sullivan Fencing Club’s new fencing year.

ORIENTEERING
